

There is no mistaking God's command for us to care for one another. He empowers each of us with strengths and talents to be used in service for His good and for the good of His children.

At the Gladney Center for Adoption, this command is on our hearts as we seek families to adopt, raise funds to support humanitarian aid efforts, and to develop programs that will provide long term support to those in need. **The Gladney Center for Adoption's Bright Futures Camps** are one of the many programs available that help loving parents connect to a child who is in need of a permanent, loving family.

If you or your church would like to be a part of a Bright Futures Camp in your area, please contact amy.curtis@gladney.org or visit our website at www.brightfuturescamp.com
